WEDNESDAY, SEPT. 10, 1856

The Daily Journal bas much the fihem. Of course the can ida's would have largest circulation in the city and dou-ble the circulation in the country of any whole So. h were to go f rhim, as weal know other daily paper printed in Louisville; it will not.
and the Weekly Journal has much more than double the circulation of all the lit the true men of the country consider calm s other weekly papers in Louisville put and dispa sionately and carrestly what is that

Mr. Blain's Letter - We publish to-day housands are heroming daily convinced, that 1 's M F the most significant parts of so much of Mr. Buchanan shuld be whit and by his friends from the contest. He cange no N r D-Buchanar's two-fold intrigue and corruption in the election of 1824, and to his subsequent abjectness, falsehood, and perfuly. We regret that the extreme length of Mr. Blair's letter will not permit us to publish it in fill. It is marked by characters the characters that the extreme length of the control marked by characteristic ability, and is probabily a more authentic atterness upon the points in quee on than could emarate from any other living source. It unievele back into secondary and rem 'e even's 'he web of fairehold which eafe ments at thet perio , and exposes his u. exam I 'son. It tears the last tatter from his bideousness. It is conclusive We beg every men who reveres the memory of Gen. Jackson | Something New - The ed for of one of the or of Henry Clay to read the extracts we pub papers of this city ansounced yest reay that lish this morning, and cay if in his beart he does he was a thornzed to cfi r a het of \$500 up in not scorn and detest and loathe James Buchan-Buc anan's carrying Kentucky. Probably this in with a disgust too deep for utterance What are the general facts as now estab | the fact in well uses si od that nobedy here in

he cause of the Union?

I shed beyond the shadow of dispute? We shall about here having so much as \$3 1 1 of he repeat them, in a word, and we ask the Amer ow money would risk it upon such a proposithirty two years ago, pending the memorable No doubt we have the mea sof furnishing a contest of January, 825, James Buchenan class to the matter. We yesterd y learned the then ar aspiring young member of Congress [ast, and are prepared to prive it, that a very Although I had not the least agency in pr ir m Pen sylvenia, a political frierd of Gen respectable l very-stable keeper of 1 s city Jackson though a professed admirer of his accustomed to figure ire 'y extensive, y la pn':anx one desire to place both these distinguished men, incomparably the most influential to a distinguished member of the Cabinetes guished men, incomparably the most innuent at the first the nation, under lasting obligations to blind washington, whose name we need not mention, under lasting obligations to blind washington, whose name we need not mention to the self, sought, 2 set through the agency of others.

I feet more importantly control of the self to about a bargain between these popular rivals. the \$5.000 laiked of by the S. g. Nicht editor is view of it to tainish the Ge eccording to which Gen. Jackson sharld be about a bargain between these popular riva's.

eccording to which Gen. Jackson should be made Presiden' at the ensuing election in the House of Representatives by the influence of Mr. Clay, and Mr. Clay subsequently appointed Secretary of State by General Jackson; and, being gracefully repelled by Mr. Clay and repulled with a torrent of in disposition by Gen. Jackson, to whom the bargain was more directly put, though not without a previous stipulation for forgivenesse, the met all generally and the gracefully repelled by the contingency of the former of the proper for a number of the President'. Cabinate to be distributing tunds in Kentucky to heat the contingency of the former of the former, kept intefoundly secretary of the former, kept intended the secretary of the former, kept intefoundly secretary of the former, kept intefoundly secretary of the former, kept intended to an amender of the President's Cabinate the classified in the contingency of the former, kept intended the former, and the secretary of the former, kept intended to an amender of the former, kept intended the former, and the former, and the former, kept intended to a secretary of the former, and the secretary of the former, and which the last intended to a member of the former, and the secretary of the former, and the secre from the visible scene, a d, harming with resenting ', efew ayeafterwards started, through a child more mis rable tool, The lafamous cry of that the morey came from Was inglou and J. bergan a d corruption against Mr Clav, which from the highest function ries of the Admir hunted d wn his m ghty heart and his glorious is ration, and row the fact, creditable or dis

ourage which renders the act one of the very where the receip's of the people's money ed. At this the hounds of party, se' ou h; a of dollars aid the experitures, party le .t. I w infernal voice behind the scenes, opened ma e and partly corrupt, to ecarcely lear. ther wide mouths in reafe irg clamer, until We do not expect our po it cal friends, by e at on fairly echoed with the atrocious cry ever confident of success in Kentucky, to be ? * aargain and consertion" And at the against the treasure of the Rejublic, but we are ite e excitment which everywhere prevail- greatly mistaken, more in a eken than we ever e, the tree thor of hi freedish calcum, were more lives, if the developed fact his directly remains a known. Gin. Jack the members of the Prerce Cabinet are so disp 1 15.7, and Mr. B c a m, thue diagged by d carot arouse the American party to ferf les en a co; the Od Roman in othe focu exer or and awak n the Old-Lie Weige a of m. ! ... if indurant hearte, cowered into a a ! who appreciate the i p ria ce of the puri pital ly gaupp and at the feet of Gen Jank- of our elections to a strong cense of the pre Clay, alternately licking the ing and mostly dividing on them the hand meanly deceased and e treating the more shough not even their solent spoilers he had be rayed and calum-nated under circum of GEN JA REN SERPITATION AGAINST THE IMPROVEMENT OF THE PROPERTY OF A DEPTH AS A SERVITATION OF THE PROPERTY OF A DEPTH AS A SERVITATION OF THE PROPERTY OF A DEPTH AS A SERVITATION OF THE PROPERTY OF THE PROP p ca crime furishes no paratel and no apor x mation. And in that hum having attitu-James B ana ly clouched until death b re the mea whose reserve was e shi ng re-bute to his servity a d baseuess. And a Mr. Douelson, adopted because aline to now that Jackson, has long beer gone and Clay bute to his seri ity a d haseueas. And now that Jacks a has long beer gone and Clay

a Mr. Doelson, adopted because a kin to Mrs. and seeps we in the grave to whome g een problem in the problem in the grave to whome in the problem in the f ed with bo i-se scor. I inspires emp. a 'y and emergy 'ey ex ited in ary cu e tio of ex e i ice ti-m randa horsence " ci me w a engled, he i-vel "A dew! tio of ex e i lee rion and a horregre 10 of the life the "and horselve els all, because in the terders of his wife, and because in was hel, essentially I'i b a. sickebrig. We know of no thing a runance or relity which surpasses its col-b felationous say. We feel that the strong to late or our say. We feel that the strong of the seand execution is weak command with its upsecedened a dunna ural processor of Gen. Jan 10 March 12 Leavis and the strong with rest to Mr Bu a same or one na re In the face of such a matched and make the face of such a matched and make the matched and matched and make the matched and matched and make the matched and ma to said por por to of etiquette |07 Aphe man who has forfete all claim to o cbo claim to coulery. The trub m at be old, and it shall be We aboutd te I had to be memory of the illustrous dead, for the bound a dair fame of our country, a false to every generous instinct of humanity, if, at this fit may moment, we failed to brand James Buchanan, who has outraged and observed them all, as a political wretch unworthy the support or clubes a coof nonorable men.

grave le fi es' po it l ge i m of the see al. a. It is part the event to end and preserved to the horizontal the event to end and preserved to the horizontal the event to the horizontal the event to the horizontal the event to the ev e as the patriotism of Weatington or the ter 1 integratery version of Arnold. It is as unmistakeaue as

THE ELECTION IN MAINE—THE END OF BUCHANANIES —For years we were accurtomed and bear the State of Maine spoken of by the Democratic organs as "the war that never set." It was a Stele upon which they always clied in maine, the Democratic organs as "the war that never set."

Throughout the canvess which has just closed in Maine, the Democrate or Buchanan men of that State had the heldest confidence. They do not indulge the slightest missiving as to their own triumphant success. They are of his tather, and he appeals most that wickey as a thing within their very grasp, process; he has for was let to sustain in in the process. They called upon the ration to watch the issue

They felt the surer of triumph from the last
that a large portion of the Old-Line Whigs of the State, under the lead of the Hon. George
Evana, an able but mee' corrup' man and pole
t clan, were fighting beneath their standard.
Theirs being the only State i which any considerable number of the Old-Line Whys were
siderable number of the Old-Line Whys were
cate:

comperating with their party, they though it the State, of all others, for which they might in advance raise the shout of vectory.

Yet even Malie, it appears, has give gainst the Buchanan party, and in all probability by an upperalleled mejority. The Dimocra is 8- has opiol of the Borth has lowered its flag at the first fire of the eveny. Three State electrons have just taken piles, over in Mine, one

ions have just taken place, one in M ine, one inited inted Vermon', and one in I w , and . Is have garn sav that if filer, "in agai et the Buchanan par y with rushing etc. a e' a e' a d tu re-ounding majorities. These defeate of the said like had enounding majorities. The series that is party are but the three fir t of the series that is partial to extend through all the rest of the majorities of the non-slaveholding States. There is not one of the first than Sg-Nicht ca dida e can camy fir hi . No, ot o e; Lebas n t the al ghtest chance in e th duty. We say, as we have of n and, and as M.

Why should not the friends of Buchena . ca e ile fi . a once to their senses, a d, yiel ing to the im- acr I be wit the express particle. this o ly obstruction, to the certain til mph of

TOP P TEATR, Fol. excited considerable inquiry in some mads, for 11

fame to the grave.

Meanwhile to the election by the Honse of Representatives took its natural, unohatructed way, resulting in the choice of Mr. Adams, who fearless by offered Mr. Clay the Secretary-ship of State, which Mr. Clay the Secretary-ship of State, which Mr. Clay, with a meral courage which renders the actions of the very where the receipts of the needle's money. In this dying hour, written to a distinct of them are the secretary-ship of State, which Mr. Clay to secretary-ship of the secretary-ship of t

Wilmington, sept. 9
Geo M. Townsend plead guilty to the charge
of robbing the Wilmington postoffice in An
ges, 1855. He made an appeal to be court,
earling that he wasyoung and was led away by
evel company, and promised that if he received
a light sentence he would be a better boy in frature, whereupon Judge Hall sentenced him to
two years hard labor and solutary confinement. NEW ORLEANS, Sept. 9.

The ship S'. Lawrence, from New York with cargo of lime, took fire when near Bulize exterday and was entirely destroyed. NEW YORK, Sept. 9. The Board of Health of Brooklyn report no new cases of yellow fever and no desths in the last 24 hours. Three new cases are reported at Governor's Island but no neaths. There was one new case at the Militar's Hospital at Fort Hamilton this forence. The previous cases are considered as the first than the forence of the previous cases.

From the Evening Bulletin.

The sleamer Arabia sunk in the Missouri River one mile below Parkville, last Fuday the s lik in fifteen feet water. the was on her way from Council Bluffs with a good trip.

HALIFAX, Sept. 9, M.

At the meeting of the Whigs on Saturday nigh', nine delegates were appointed to the Balsight, nine delegates were appointed to the Barimore Convention.

Resolutions favorable to Fillmore, and pledg
ing him their support if no other candidate he
presented, were adopted.

The cfinial returns show that Newland (Am.)
is elected Lieutenaut Governor.

The pro-slavery party have determined not to
make an attack on Lane's forces until the 13th.
This gives Geary time to reach the Territory.
